USE OF THESE PRODUCTS IS ACCEPTANCE OF SELLER'S DISCLAIMER OF WARRANTY

THE PURCHASER IS RESPONSIBLE FOR DETERMINING THE SUITABILITY AND ACCEPTABILITY OF ANY AND ALL PRODUCTS PURCHASED FROM APPLIED RACING TECHNOLOGY.

Purchaser understands and recognizes that racing parts, equipment and services provided by or manufactured and/or sold by Applied Racing Technology, are subject to varied conditions due to the manner in which they are to be installed and used. The acceptability and suitability of any part sold or manufactured by Applied Racing Technology for a particular application is solely the purchaser's decision. Applied Racing Technology makes no warranties whatsoever, expressed or implied, oral or written, THERE IS NO WARRANTY OF MERCHANTABILITY.

The right to make changes in design or add to or improve on their product without incurring any obligation to install the same on products previously manufactured is expressly reserved. Buyer agrees to indemnify and hold Seller harmless from any claim, action or demand arising out of or incident to the Buyer's installation or use of products purchased from Applied Racing Technology.

All returns must receive prior authorization, be shipped prepaid, and are subject to a 20% restocking charge. A.R.T. will not accept returns or exchanges after 30 days. Special orders must be prepaid and are not returnable. Freight charges from refused shipments will be applied to the customer's account and must be paid before further shipments will be made. All COD shipments are payable by cashier's check or money order only, made payable to Applied Racing Technology for the exact COD amount. Truck freight shipments must be prepaid (no CODs) and may include a pallet charge if applicable.

Prices subject to change without notice.

We do not accept responsibility for typographical errors in content or pricing.

Price changes are updated periodically on our online store.

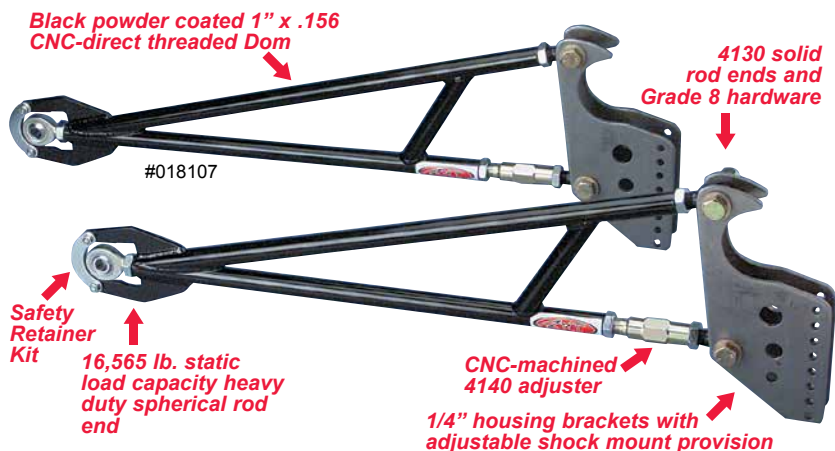

REAR SUSPENSION SYSTEMS

ART PRO ADJUSTABLE LADDER BARS

A.R.T. ladder bars are 32" long, fully-welded and feature CNC-machined threads. Constructed of 1" OD x .156 wall DOM tubing, they are powder coated for a long lasting appearance. HD 3/4" x 5/8" rod ends are used at the front with safety tabs and 3/4" x 5/8" solid forged rod ends at the rear with a 4140 adjuster located in bottom bar for ease of pinion angle adjustments. Kit also comes with four 1/4" mild steel, double shear housing brackets with provisions for adjustable shock mounts and all grade 8 hardware.

- 32" Pro bar (Pair) w/mild steel rod ends** #018107 \$499.95
- 32" Pro bar (Pair) w/chromoly rod ends** #018657 \$554.95
- 32" Street Series (Pair) w/polybushed rod ends** #010011 \$574.95

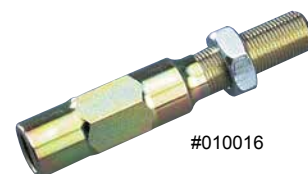

ART SAFETY TAB KIT

This kit permits the installation of rod end retention brackets onto most ladder bars to retain them in event of dangerous rod end failure.

Not intended for use with Extreme or Pro Plus Ladder Bars.

#010014 \$29.95

ART LADDER BAR ADJUSTER

Designed to convert any standard ladder bar into an adjustable ladder bar. Machined from 4140 material and features wrench flats for easy adjustments. Left hand jamnut is included. Requires the use of a 3/4" - 16 left hand tap to complete the conversion (each).

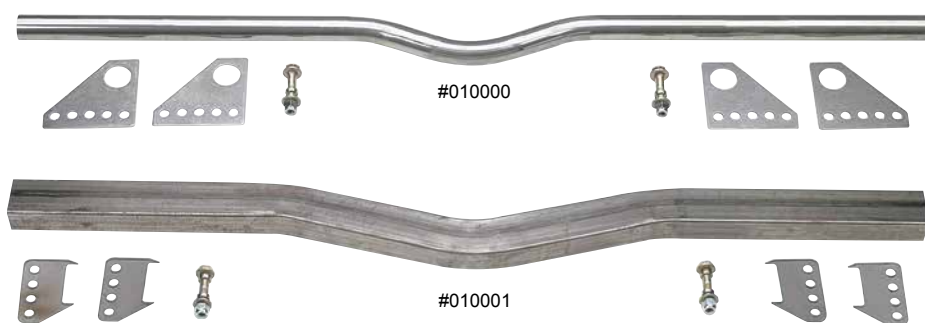

#010016 \$34.95

ART LADDER BAR FRONT CROSSMEMBERS

Start your chassis construction with this crossmember or use to add ladder bars to existing chassis. 60" x 1 3/4" OD x .134" tube, (4) 360°, 1/4" mild steel double shear brackets with 5 adjustment holes in round tube version. 2" x 3" version is .120" wall and features brackets with 4 adjustment holes.

- 1 3/4" round tube x .134" wall** #010000 \$109.95
- 2" x 3" rectangular .120" wall** #010001 \$144.95

Specify 5/8" or 3/4" holes.

ART SOLID CHROMOLY ROD END

For ladder bar suspensions.

- | Size | Type | | |
|-------------|-------|---------|---------|
| 5/8" x 3/4" | right | #005404 | \$23.95 |
| 5/8" x 7/8" | right | #017489 | \$23.95 |

SALES: 1.800.571.3023 TECH: 727.571.3023

REAR SUSPENSION SYSTEMS

EXTREME LADDER BARS

Feature all chromoly construction, separate 1-3/8" x .095 chromoly upper and lower bars with weld-in tube adapters allowing adjustment of instant center height, pinion angle, and overall leverage. The front rod ends are 3/4" x 3/4" chromoly with safety tabs and the rear uses 3/4" x 5/8" solid rod ends. The 1/4" thick double-shear housing brackets feature two upper and two lower mounting holes for the ladder bar and provisions for adjustable shock mounts on the rear of the brackets. Can be assembled up to 36" long. **TIG welding required.**

#017384 \$749.95 (pair)

EXTREME LADDER BAR FRONT CROSSMEMBER KIT

Crossmember kit includes 60" x 1-3/4" OD x .083 chromoly tube, (4) 360°, 1/4" chromoly brackets with 3/4" holes and grade 8 bolts. **This kit is designed for use with our Extreme or Pro Plus Ladder Bar kits.**

TIG welding required.

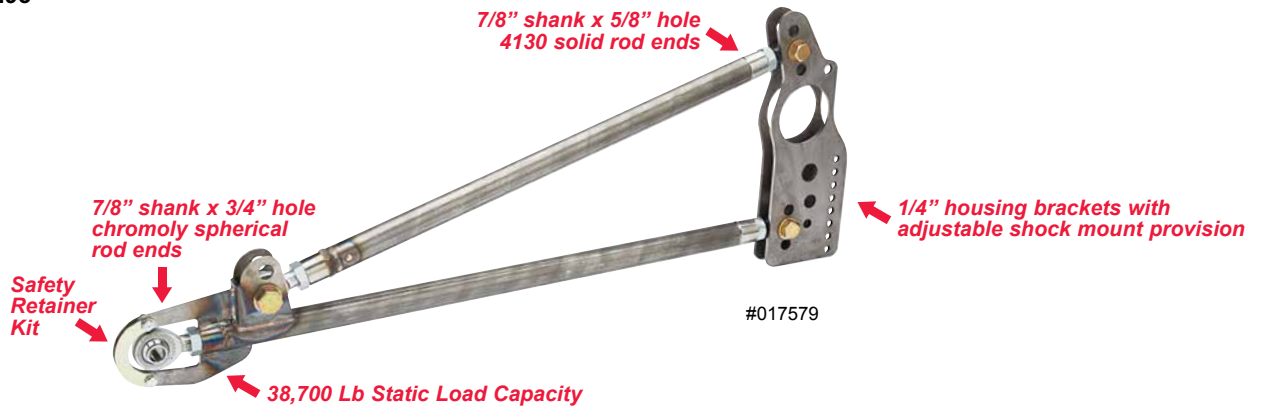

#017456 \$174.95

PRO PLUS LADDER BARS

Feature all chromoly construction. Separate 1-3/8" x .095 chromoly upper and lower bars with weld-in tube adapters allow you to adjust instant center height, pinion angle and leverage factor. The front rod ends are 7/8" x 3/4" chromoly with safety tabs and the rear uses 7/8" x 5/8" solid rod ends. The 1/4" thick double-shear housing brackets feature three upper and three lower mounting holes for the ladder bar and provisions for adjustable shock mounts on the rear of the brackets. To increase further adjustability the Pro Plus includes the addition of two mounting hole options at the front. Can be assembled up to 36" long. **TIG welding required.**

#017579 \$799.95

DIAGONAL CROSSLINK & ANTI-ROLL BAR KITS

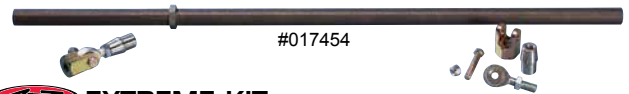

DIAGONAL CROSSLINK KITS

SPORTSMAN KITS

Kit includes choice of mild steel (5/8" or 3/4" hole), bolt on brackets, 36" x 3/4" OD x .156 wall CNC threaded DOM tube, high angularity 1/2" RH and LH mild steel rod ends with jamnuts and grade 8 hardware.

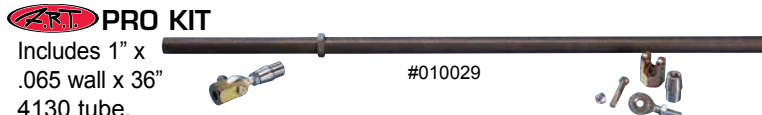

- Kit with 5/8" mounting holes #018201 \$119.95
- Kit with 3/4" mounting holes #010025 \$119.95
- Kit with 3/4" x 5/8" mounting holes #018535 \$119.95

EXTREME KIT

Includes 1-1/8" x .083 wall x 36" 4130 tube, tube adapters, 1/2" R/H and L/H 4130 rod ends, jamnuts, hardware and two CNC machined mounting brackets. One bracket for use with a 5/8" bolt and one for 3/4". **This kit is designed for use with our Extreme or Pro Plus Ladder Bar kits.**

TIG welding required. #017454 \$204.95

PRO KIT

Includes 1" x .065 wall x 36" 4130 tube, tube adapters, 1/2" R/H and L/H 4130 rod ends, jamnuts, hardware and CNC machined mounting brackets which feature threaded hole for use with 5/8" bolts. **TIG welding required.** #010029 \$189.95

PANHARD BAR

The #1 choice of locator design for street use. Includes frame brackets, formed rear end bracket, 3/4" RH and LH mild steel rod ends and jamnuts, 30" bar and grade 8 hardware.

#010038 \$124.95

ANTI-ROLL BAR KITS

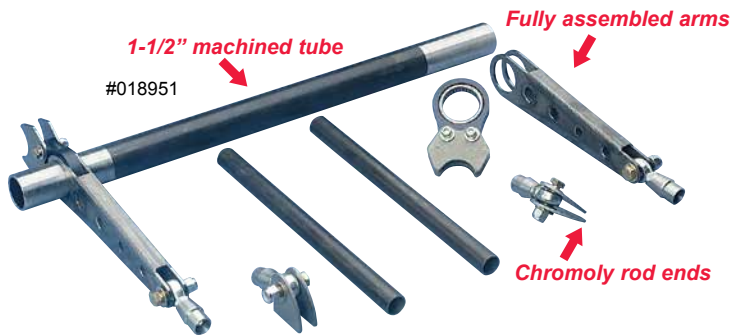

SPORTSMAN KIT

Kit features superior needle-bearing design to eliminate bind and provide greater longevity. 1" machined tube, adjustable from 16" to 24" in width, features 6 3/4" fully assembled arms with mild steel rod ends, grade 8 hardware and mounting brackets.

TIG welding required.

#018662 \$299.95

PROFESSIONAL KIT

Kit features superior needle-bearing design to eliminate bind and provide greater longevity. 1 1/2" machined tube, adjustable in width, features 8 1/4" fully assembled arms with chromoly rod ends, grade 8 hardware and mounting brackets.

TIG welding required.

With 24" Tube #018951 \$379.95

With 36" Tube #019962 \$399.95

PRO MOD KIT

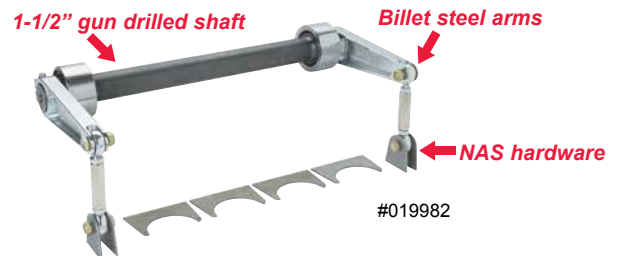

Kit features spherical, self-aligning aluminum and Delrin bearing blocks, splined 7075 6" aluminum arms, adjustable width 3" center tube assembly and mounting brackets.

TIG welding required.

#019616 \$685.00

Pro Mod Installation Kit Includes 3/8" chromoly rod ends, tube adapters, tubing, mounting brackets and hardware.

#019651 \$149.95

PRO OUTLAW KIT

Kit features 1-1/2" diameter 35-spline gun drilled heat-treated 4340 shaft, 6" 1045 billet steel arms, chromoly rod ends, NAS hardware and bearing assembly with mounting brackets.

STRANGE STRUT PACKAGES

Strut packages include:

- Choice of spring rate
- Lower control arm kit with bearings and 1/2" chromoly rod ends
- Wheel bearings with seals and hubs with studs
- Steering arms and hardware
- Lightweight brakes do not include hubs, bearings or seals

ART STRUT SOCKET

CNC machined from billet aluminum, this tool enables proper installation of the strut by holding the strut shaft while installing the top lock nut.

#019602 \$24.95

#019602

#018491

Strut kit with **light weight** brakes, externally adjustable, 3" stroke, stud mount. Spindle mount wheels only.

Single adjustable #018489 \$1969.95

Double adjustable #019774 \$2399.95

Strut kit with **medium duty** brakes, externally adjustable, 3" stroke, stud mount

Single adjustable #018491 \$2119.95

Double adjustable #019775 \$2489.95

Strut kit with **heavy duty** brakes, externally adjustable, 3" stroke, stud mount

Single adjustable #018493 \$2289.95

Double adjustable #019776 \$2659.95

STRANGE FORGED STEEL SPOOLS

Strange spools are forged in Strange-designed tooling from chromoly steel. These forgings are machined on all critical surfaces by computer controlled lathes. Mounting holes are drilled and axle splines are precision broached before heat treating. After heat treating, bearing and gear mounting areas are finish ground to precise tolerances.

| Lamb strut with 625 (Set of 4) | #018110 \$49.95 |

#015560

#008587

ADJUSTABLE PROPORTIONING VALVE

Brake proportioning valve with knob style adjustability allows for quick brake bias adjustments. 1/8" npt inlet and outlet.
#008587 \$48.50

#019467

PRO LINE LOCK

Hurst roll-control, with rebuildable stainless steel solenoid. Standard issue for most pro cars.
#019467 \$168.95

#008589

#008588

RESIDUAL PRESSURE VALVES

2-lb. Inline RPV #008588 \$20.75
10-lb. Inline RPV #008589 \$20.75

019682

PRO MASTER CYLINDER MOUNT KIT

Designed to mount master cylinder on a round tube chassis. Chromoly construction and includes gussets, adjustable rear support and NAS hardware
#019682 \$48.95

#018494

ART PUSH ROD KIT WITH SAFETY TAB

This kit retains the push rod within the master cylinder, preventing loss of brakes.
#018494 \$24.95

#019889

ART MASTER CYLINDER COVER

Composite #019889 \$54.95
Carbon Fiber #019514 \$178.95

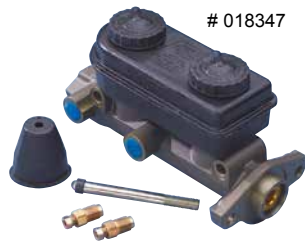

019613

STAINLESS BANJO ASSEMBLY

1/2" x 20 #019613 \$34.95

MASTER CYLINDERS & ACCESSORIES

018347

PRO DUAL RESERVOIR MASTER CYLINDERS

Strange 1¹/₃₂" bore, includes push rod, boot & fittings #018347 \$88.95

Strange 1¹/₈" bore, includes push rod, boot & fittings #008520 \$88.95

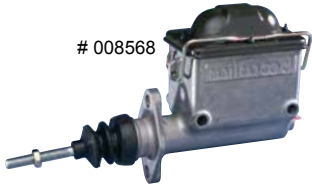

#019043

HI-TEMP BRAKE FLUID

12 oz. 570 racing brake fluid is compatible with DOT 3, DOT 4 and DOT 5.1 fluids.

#019043 \$10.25

008568

SINGLE RESERVOIR MASTER CYLINDERS

3/4" bore #008564 \$69.95

7/8" bore #008568 \$69.95

1" bore #008572 \$69.95

019708

PRO STREET TANDEM MASTER CYLINDER

Designed for manually activated Pro Street brake applications. Features 1" bore with slotted mounting flange and fluid outlet on both sides of piston bore to simplify plumbing.

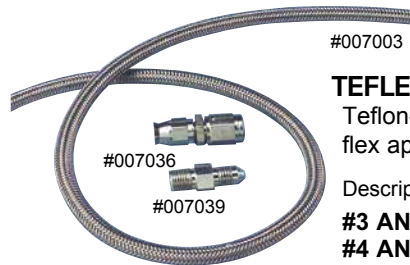

#019708 \$230.95

BRAKE LINE HOSE & FITTINGS

STEEL HOSE ENDS & FITTINGS FOR TEFLON-LINED

STEEL BRAIDED HOSE - #3 AN (Fitting also available in #4)

Type	Description		
Straight	hose end	#007036	\$7.95
45 degree	hose end	#007037	\$13.80
90 degree	hose end	#007038	\$14.05
1/8" NPT to #3 AN	male pipe-male flare	#007039	\$2.95
1/8" NPT to 90° #3 AN	male pipe-male flare	#007040	\$7.20
Bulkhead tee	#3 AN male	#015486	\$29.85
Bulkhead tee on-the-run	#3 AN male	#016105	\$19.95
Bulkhead 90-degree	#3 AN male	#015484	\$11.50
Bulkhead straight	#3 AN male	#015482	\$5.90
Bulkhead nuts	#3 AN	#007047	\$1.95

#007003

TEFLEX BRAKE HOSE - 3000 psi

Teflon-lined hose for short distance, flex applications.

Description	Price Per Foot
#3 AN #007000	\$4.10
#4 AN #007003	\$4.90

STEEL TUBE NUTS & SLEEVES

Steel tube nuts and sleeves are normally used to connect steel brake line (hard line) to AN fittings.

Nut, #3	#007024	\$1.60
Nut, #4	#007026	\$1.60
Sleeve, #3	#007025	\$1.20
Sleeve, #4	#007027	\$1.20

HARD STEEL BRAKE LINE

Easily formed, 25-foot length. 3/16" O.D. #007007 \$39.95

#007007

STAINLESS STEEL BRAKE LINE

Easily formed, 20-foot length. 3/16" O.D. #017466 \$84.95

PRE-ASSEMBLED BRAKE LINES

#3 90/straight, 18" long	#018794	\$15.95
#3 straight/straight, 18" long	#018795	\$13.25

#018794

#018795

COMPLETE PRO BRAKE LINE KIT

Includes AN fittings, #3 teflon lined stainless hose, steel brake line and tabs, line lock fittings, complete kit necessary for installation of after-market disc brakes.

#018200 \$219.95

Above kit with 18" Teflon lines and fittings assembled.

#018796 \$229.95

#018200

Upgrade to Stainless Steel Brake Line add \$45.00

BRAID SPREADER

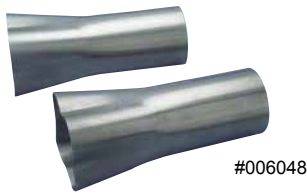

Simplifies installing the olive in #3 and #4 Teflon-lined hose. The tool is pushed into the cut end of the hose, spreading the braid, and the mandrel inserts the olive under the braid and over the hose liner.

#019553 \$44.95

FUEL SYSTEMS & ACCESSORIES

MAGNA FUEL COMPONENTS

QUICK STAR 275 FUEL PUMP

Designed for up to 700 horsepower applications, external bypass is preset to 18 psi, 12 or 16 volt compatible, gasoline or alcohol compatible.

#019572 \$359.95

PRO STAR 500 FUEL PUMP

Designed for 700 - 2000 horsepower applications, externally adjustable bypass, 24 - 36 psi, 12 or 16 volt compatible, gasoline or alcohol compatible.

#019570 \$478.95

*These pumps require two #12 to #12 (#019658) or two #12 to #10 (#019659) fittings.

PRO STAR 625 EFI FUEL PUMP

Designed for 2000+ horsepower, 12 or 16-volt compatible, gas or alcohol compatible.

#017598 \$868.95

PRO STAR 500 FUEL PUMP WITH FILTER

Includes same features as standard 500 pump, plus integral micron filter, which can be removed for cleaning allowing repeated use.

#019571 \$638.95

AEROMOTIVE A3000 FUEL PUMP

#017389 \$939.95

2 PORT REGULATOR

Features #10 AN inlet port and two #6 AN outlet ports, with 1/8" NPT pressure port for gauge, gasoline or alcohol compatible.

#019574 \$154.95

2 PORT REGULATOR PLUMB KIT

Includes one #10 and two #6 high-flow AN fittings with o-rings.

#019825 \$34.95

4 PORT REGULATOR

Features #10 AN inlet port and four #6 AN outlet ports, with 1/8" NPT pressure port for gauge, gasoline or alcohol compatible.

#019573 \$239.95

4 PORT REGULATOR PLUMB KIT

Includes one #10 and four #6 high-flow AN fittings with o-rings.

#019826 \$53.95

INLINE FILTER

74-Micron pre-filter, 4-3/4" long, 2-1/8" diameter, #10 AN inlet and outlet ports, cleanable filter element, gasoline or alcohol compatible. *Fittings are not included.*

STROUD CHUTES

#019276

NOTE: Specify vehicle weight, type and maximum MPH in order to determine correct chute application.

SUPER COMP

- Black #019279 \$359.95
- Red #019280 \$359.95
- Blue #019281 \$359.95

SUPER GAS

- Black #019282 \$409.95
- Red #019283 \$409.95
- Blue #019284 \$409.95

PRO STOCK

- Black #019276 \$464.95
- Red #019277 \$464.95
- Blue #019278 \$464.95

REMOVE BEFORE FLIGHT TAG

- #019968 \$14.95

#019439

PRO STOCK CHUTE WITH LAUNCHER

- Black- Spring #019439 \$849.95
- Black- Air #017464 \$849.95

PRO STOCK DUAL CHUTE WITH LAUNCHER

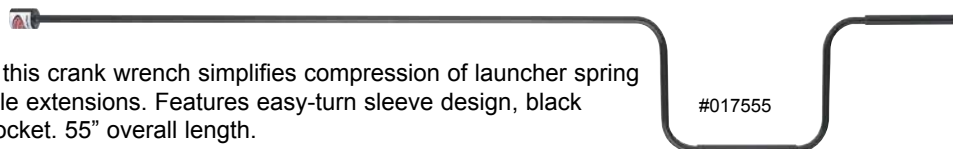

Specifically sized smaller for applications where two chutes are required, includes two chutes, each with spring launchers.

- Black #019782 \$1699.95

ART SPRING LAUNCHER WRENCH

Designed for use with Stroud spring launchers, this crank wrench simplifies compression of launcher spring and eliminates the need for ratchets with multiple extensions. Features easy-turn sleeve design, black powder-coated finish and twelve-point 15/16" socket. 55" overall length.

- #017555 \$109.95

#017555

CHUTE MAINTENANCE ACCESSORIES

SMALL DEPLOYMENT BAG

For Standard Pilot, Super Comp & Super Gas.

- #017589 \$55.95

LARGE DEPLOYMENT BAG

For Standard Pilot, Comp Eliminator & Pro Stock.

- #017590 \$55.95

SMALL LAUNCHER DEPLOYMENT BAG

For Super Comp & Super Gas.

- #017591 \$89.95

LARGE LAUNCHER DEPLOYMENT BAG

For Comp Eliminator & Pro Stock.

- #017592 \$89.95

PILOT CHUTE, SMALL

For Super Comp & Super Gas.

- #017596 \$91.95

PILOT CHUTE, LARGE

For Comp Eliminator & Pro Stock.

- #017597 \$96.95

#017589

#017592

#017593

SMALL CHUTE PACK

For Standard Pilot, Super Comp & Super Gas

- #017593 \$68.95

LARGE CHUTE PACK

For Standard Pilot, Comp Eliminator & Pro Stock.

- #017594 \$68.95

CHUTE PACK, LAUNCHER STYLE

For small or large chutes and spring or air applications. Must specify application when ordering.

- #017595 \$68.95

PARACHUTES & ACCESSORIES

CHUTE RELEASE KITS & HANDLES

#018197

SPORTSMAN
Includes 6061-T6 aluminum release handle, chassis pivot, cable clamp weld bracket and all other necessary hardware. 12-foot cable included.
#018197 \$94.95

#019192

PRO
Includes 6061-T6 aluminum release handle, quick release ball joint, cable clamp, mounting bracket, 12-foot cable with end cap, and all necessary hardware.
#019192 \$114.95

#019540

DUAL
Releases both chutes at once; includes 6061-T6 aluminum release handle, two quick-release ball joints, dual cable clamp, mounting bracket, two 12-foot cables with end caps and all necessary hardware.
#019540 \$199.95

#017066

PNEUMATIC
Allows deployment of chutes from the steering wheel by the simple push of a button. Kit includes ram, button with cord, poly tubing, snap-lock hose fittings and mounting hardware. Chute release handle and cables are sold separately.
#017066 \$179.95

#018210

CHUTE HANDLE - SPORTSMAN
1/8" Aluminum, 1 1/4" wide, 10" long.
#018210 \$5.95

#019201

CHUTE HANDLE - PRO
1/4" Aluminum, 1 1/4" wide, 9" long.
#019201 \$24.95

#017512

CHUTE HANDLE - EXTREME
1/4" Aluminum, 1 1/4" wide, 9" long.
#017512 \$29.95

#017529

CHUTE HANDLE - CARBON FIBER
1/4" Carbon fiber, 1 1/8" wide, 8 1/2" long.
#017529 \$39.95

CHUTE MOUNT KITS

#017400

SPORTSMAN
Includes formed pack mount and tether mount provisions, brackets and necessary hardware to securely mount both the parachute pack and tether. **New design will accommodate either standard or launcher style chute.**
Welding required.
#017400 \$119.95

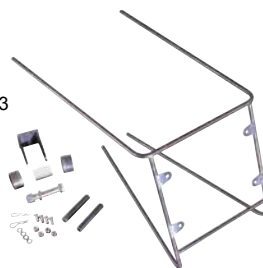

#019533

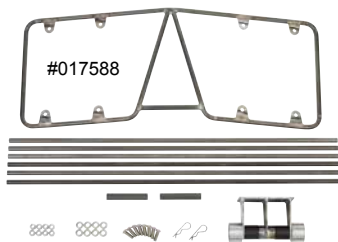

PRO SINGLE
All chromoly, fully welded pack assembly with tether mounting provision and NAS hardware with accessories.
#019033 \$224.95

#019033

PRO DUAL
Includes pre-bent adjustable width chromoly frame, fully-welded chromoly dual tether mount with NAS hardware, chute pack mounting brackets and mounting rods with hardware.
TIG welding required.
#019533 \$239.95

#017588

PRO WELDED DUAL
Features welded chromoly frame with chute pack mounting brackets and welded tether mount assembly. Mounting tubes, NAS tether hardware and pack mount hardware included.
TIG welding required.
Small Dual #017587 \$284.95
Large Dual #017588 \$284.95

#017462

STREET/STRIP REMOVABLE CHUTE MOUNT
Mild steel components. Easily removable for street legal driving.
Welding required.
Rear bumper bar sold separately.
#017462 \$109.95

1/4" MS, 5/8" holes, open center, with optional shock mount holes
#018911 \$19.95

SHOCK SPUD-CHROMOLY

.875 x 1.500, machined 1/2 - 20 thread, designed for use with A.R.T. / J.B.R.C. 4-link brackets.
#019453 \$13.95

6" x 6" ROLL CAGE PLATE BRACKET

1/8" Mild steel #018273 \$7.95

STEEL TUBING & ROD ENDS

TUBING & PLATE

A.R.T. purchases steel in high-volume contract orders which allows us to specify certain mills as the source of our tubing. A.R.T. does not stock material melted or produced from Asian sources. All steel tubing is tracked by heat batch and carries certifications for alloy, grade and mechanical properties.

All tubing must be prepaid and is not returnable.

CHASSIS STABILIZERS

Protect your vehicles sensitive components from excessive wear while traveling. Chassis stabilizers inhibit vertical movement during transportation to stop damage and wear of chassis and suspension components, electronics, struts, springs, torsion bars and on-board computers. All kits come with a 6' hose kit and a gate valve. Simply slide the deflated stabilizer under the most flexible point in the chassis and inflate. Manufactured with a heavy-duty elastic rubber compound and a high strength internal composite support structure.

Stabilizer with Hose - Rectangular #017628 \$274.95

23.25" x 7" X 1.125" (inflates up to 4")

LIGHTWEIGHT MOUNTING STRIP

Features a lightweight mild steel design for mounting carbon, aluminum, or any other panels to your chassis. These strips are 48" long, .048" thick, and have 3/16" holes spaced 4" apart.

#017648 \$19.95

ROLL BAR & CAGE KITS

ORDERING - Specify make, model and year of vehicle. A.R.T. has roll bars and cages to fit almost every popular vehicle. If by chance we don't have your specific application we will be glad to build it. Just supply us with the necessary dimensions and we will bend it to your specifications.

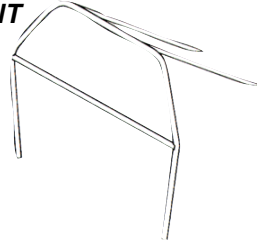

SHIPPING - All roll bars and roll cages have to be shipped by truck and must be prepaid.

ROLL BAR KITS

A.R.T. 4-8 point roll bar kits are constructed from 1^{3/4}" x .134 wall mild steel or 1^{3/4}" x .083 wall chromoly tubing. Six 6" x 6" steel floor plates are included for applications where the builder cannot tie into the frame.

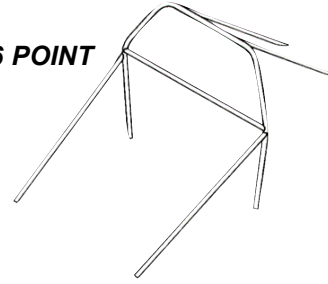

NOTE: Final fitting is required with all roll bar/roll cage kits.

4 POINT

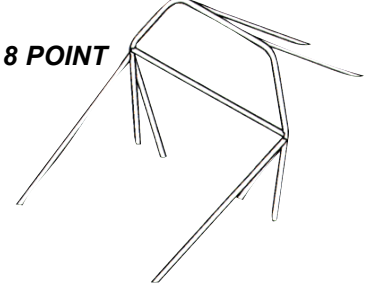

M/S #011454 \$249.95
C/M #019995 \$355.95

6 POINT

M/S #011456 \$339.95
C/M #019996 \$479.95

8 POINT

M/S #011458 \$379.95
C/M #019997 \$539.95

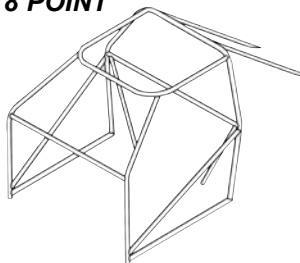

All A.R.T. cages include the dash bar & two rocker bars with no additional upgrade charge.

ROLL CAGE KITS

A.R.T. roll cage kits are constructed from the highest quality 1^{5/8}" x .134 wall mild steel or 1^{5/8}" x .083 4130 chromoly tubing (this tubing will pass NHRA sonic check). Six 6" x 6" steel plates are provided for applications where the builder cannot tie into the existing frame.

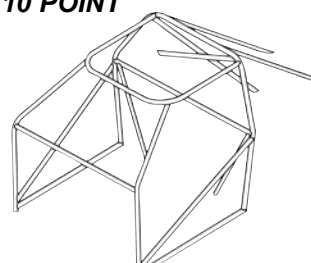

NOTE: All cages require final fitting. Our 10 and 12 point roll cage kits utilize an "X" from the main hoop to the shock mounting area, greatly triangulating your chassis.

8 POINT

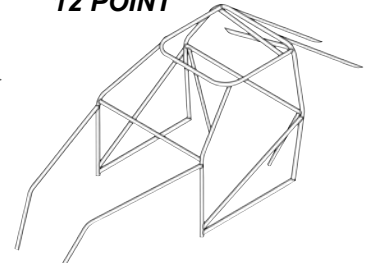

M/S #011468 \$499.95
C/M #018520 \$769.95
